Don't let your kids read this book!

There's nothing worse than getting caught with your hand in the proverbial cookie jar, yet alone confessing to all those stupid things you did when you were a kid and lived to tell about. Yes, *you* know where the bodies are buried.

Inside, you'll read stories about crazy capers, double-dog dares and outlandish adventures—those youthful escapades you never shared with your parents! Thus the reason to hide this book from your youngsters and especially your teenagers . . . you might give them ideas!

Series information, also found on back cover

Not Your Mother's Book (NYMB) is a new anthology for a new century. Series creators Dahlynn and Ken McKowen spent 10 years developing titles for the world's bestselling anthology series [*Chicken Soup for the Soul*] prior to launching NYMB. But their series is very different; all NYMB books are hip, fun and even daring! No sad, sappy or death and dying stories—EVER!

Not Your Mother's Book . . . On Being a Woman was the series' first title, *On Being a Stupid Kid* second, with 30 more titles planned. Submit your stories for consideration! Guidelines can be found at www.PublishingSyndicate.com. Get published!
