## Are You Ready? We Need Your Stories!

Are you ready? We are! We're very excited to announce our newest anthology series: *Not Your Mother's Book*.

This new anthology will be a collection of personal non-fiction stories written by individuals 18 years and older. We are looking for humorous and inspiring stories and if they have **an edge and are different**, even better. No death/dying or sad stories here. The *Not Your Mother's Book* (NYMB) series will be targeted at adults and, as such, language and situations can be PG-13 or TV-14; anything that is broadcast on network television is fair game for this series.

Submission guidelines can be found at [www.PublishingSyndicate.com](http://www.PublishingSyndicate.com). Be sure to read them closely and note the differences from that of other anthology series. You'll be surprised.

## Are You Ready?

We are incredibly fortunate to have three amazing and well-versed “co-creators” sharing the byline on several books: Terri Elders, Mary Eileen Williams and Nelson O. Ottenhausen. You may recognize these three names, as all are accomplished anthology authors and two are book authors. Nelson has been featured in the *Wow Principles* newsletter (October 2010) and Terri has penned many columns for the newsletter (September 2010 and April 2011). We are thrilled and honored to be working with them. And as the series progresses, more co-creators will join the *NYMB* family.
